

Personal Details

Qualification: B.Tech, MBA

DOB: 14th July 1993 (28 Years)

Email: poddarmail18@gmail.com

Mobile: +91- 9748958475 (M), +91- 8777380021 (M)

Language: English, Bengali, Hindi

Location: Bengaluru, India

Career Objective

To utilize coding knowledge and applying analytical problem-solving techniques and efficient skills in Python to solve various problems based on the project requirements of the organization to achieve mutual benefit.

Skills

Operating System	<ul style="list-style-type: none">• Linux• Windows XP• Windows 07/08/10• Mac OS• Android
Domain Knowledge	<ul style="list-style-type: none">• Insurance• Telecom
Technical Skills	<ul style="list-style-type: none">• Python Coding• Django Framework• Modules – turtle, bs4, requests etc• Object Oriented Programming using Python Language• SQL, MySQL• Oracle Database
Tools/ Software Skills	<ul style="list-style-type: none">• Jupyter Notebook in Anaconda• Sublime Text Editor for Python Modules• Command prompt to run Python Modules• SQL Developer• Oracle DB• Postgresql• Putty• WinSCP
Management Skills	<ul style="list-style-type: none">• Operations• Lean Six Sigma• Agile Methodology• Client Requirement Handling• Communication and Collaboration

Experience

Company	Duration	Designation	Project
Tata Consultancy Services	2 Years	System Analyst	TataSky BroadBand (Telecom)

Responsibilities:

- Working as a part of team in the migration process into Postgres using Python.
- Review and changing of Python codes as per the requirements from clients.
- Writing efficient, logical, testable, robust codes in Python
- Understanding and analysing business needs and response according to the same
- Implementing and designing high availability applications with good security features
- Feature modification of application by updating codes in Python
- Fine-tune and develop algorithms
- Providing KT on Python as a part of project migration.
- Working in Oracle database in Linux environment
- Planning for storage in production and non-production physical servers and logical Tablespaces
- Consulting with clients all the time for storage planning and purchasing.
- Improving the system by monitoring performance of the DB from various issues using SQL

Education

Qualification	Subject	Percentage/CGPA(out of 10)
MBA	Operations & Systems	7.22
B.Tech	Electronics & Communications Engineering	76.9
HSC(12 th)	Science	65.57
SSC (10 th)	Science	70.88

Achievements

- Represented our college in National Level in Street Play in Bengaluru
- Champion in football competition in Narula Institute of Technology in Kolkata

Awards

Award Name	Award Date	Award Category	Award SubCategory
Star of the Month Award	26-Nov-2020	Awards for Excellence	Star Awards
Applause Award	18-Sep-2019	Beyond Performance Awards	Beyond Performance

Certification

Certification Name	Aquired On
Process : Agile Methodology	10-Aug-2019
Six Sigma - Green Belt [KPMG]	29-Jan-2018
